The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

STATEMENT OF OBJECTS AND REASONS.

The Bill seeks to give effect to the directive principle in Article 50 of the Constitution to separate the judiciary from the executive in the public services of the State. So far as civil justice is concerned, the members of the Judicial Service are under the control of the High Court as regards transfer, discipline and other matters. But as regards criminal justice, the Magistrates are under the control of the Government in matters of appointment, transfer and discipline.

2. The present Bill seeks to classify Magistrates generally into two classes, i.e., those who are appointed in consultation with the High Court, referred to as Judicial Magistrates, and those who are appointed without such consultation, referred to as Executive Magistrates.

3. The Judicial Magistrates will primarily deal with cognizance, investigation, inquiry into and trial of any offence under the Indian Penal Code or under any other local or special law, while the Executive Magistrates will be mainly concerned with prevention of offences and other executive and administrative functions.

4. The present Bill seeks to classify Magistrates and to separate their functions mainly by amending the Code of Criminal Procedure, 1898, in its application to West Bengal.

5. The Magistrates who are appointed in consultation with the High Court will, in terms of a notification under Article 237 of the Constitution, be under the control of the High Court in matters of appointment, transfer and discipline and other service conditions.

6. Subject to the provisions in the Code, the functions of different classes of Magistrates have been shown in Schedule I as exclusive functions of the Judicial Magistrates or exclusive functions of the Executive Magistrates and the concurrent functions of both the classes of Magistrates without specifically amending the body of the Code either as Judicial or Executive Magistrate except where necessary.

7. So far as the Presidency Magistrates are concerned, the Chief Presidency Magistrate, Additional Chief Presidency Magistrates and other trying Presidency Magistrates will be appointed in consultation with the High Court and they will discharge all the functions assigned to them or extended to them under the provisions of the Code of Criminal Procedure, 1898. But the Government can also appoint Presidency Magistrates without consulting the High Court and such Presidency Magistrates may perform other functions of Presidency Magistrates under the Code excluding those relating to cognizance, investigation, inquiry into or trial of any offence.

8. Though the functions relating to prevention of offences have been allotted to the Executive Magistrates, provision has been made for appeals and revision against orders passed by such Magistrates to the Sessions Judge or to the High Court provided the order is passed in a proceeding under the Code.

9. The Bill further seeks to eliminate the post of Additional District Magistrate (Judicial), and while some powers exerciseable by him have been assigned to the Sessions Judge, some of his minor powers have been allotted to the Subdivisional Judicial Magistrate.

10. Provision has been made in the Bill for proper control and supervision by the Sessions Judge or the Additional Sessions Judge over the Judicial Magistrates in the district or sessions division.

11. Though the Bill primarily seeks to amend the Code of Criminal Procedure, 1898, yet section 29 of the Code has been so amended that Judicial Magistrates alone can try a case of any offence whether under the Indian Penal Code or under any other special or local law where the term Magistrate has been used, without amending those laws passed or administered by the Union or the State Government.

12. For administrative and financial reasons, it may not be possible to introduce the scheme of separation in the whole of West Bengal at a time and it may be necessary to introduce the scheme by phases or stages, and provision has been made for that purpose in section 1 of the amending Bill. There is no financial commitment by the Bill as such, but as a result of the separation, finances may be required to give effect to the scheme.

13. It is hoped that with the introduction of the scheme, the independence, impartiality and integrity of the judiciary will be ensured and a long-cherished dream of the people will be realised.

These proceedings were started on an application filed by Shri Mohammad Fakira under section 33A of the Industrial Disputes Act. After receiving the petition from Shri Mohammad Fakira, notice was issued on the O. P. Company, Messrs. Shankar

Metal Industries, 38|39 Jai Babi Road, P.O. Ghusuri, Howrah, fot filing its written statement. The Company prayed for time on more than one occasion and ultimately filed its written statement. Thereafter lists of documents were called for and they were filed. After the new Judge joined the Seventh Industrial Tribunal as its presiding officer, 19th July 1967 was fixed for fixing a date of hearing. On 21st June 1967 the applicant workman appeared and filed a petition stating that as he had settled his dispute with the Company amicably outside court, he does not want to proceed on with the case. The petition was accepted. On 19th July 1967 the petition was put up for orders. The Company appeared by its lawyer. The workman did not appear. Another lawyer appeared before the Tribunal and made verbal submissions that he would procure power from the workman concerned and the dispute would be re-agitated. The learned lawyer appearing for the Company challenged the *locus standi* of the intervener and his right to make submissions before the Tribunal. The Tribunal considered the matter and was of opinion that the lawyer who appeared without any power had no *locus standi* to make any submissions before the Tribunal.

The petition filed by the workman that he had settled he dispute amicably outside court and he does not want to prosecute his cause further is accepted and on that basis, I pass a 'no dispute' award. The petition filed by the workman is to be published as Annexure to this award.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Podder Industries Private Ltd., 4A Ramanath Mazumdar Street, Calcutta-9 and Rungneet Tea Estate, P.O. and district Darjeeling, on the one hand, and their workmen represented by National Union of Plantation Workers, West Bengal, P.O. and district Darjeeling, on the other. (Case No. 31 of 1967.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri L. C. BANERJEE, Judge,
Fifth Industrial Tribunal.

This industrial dispute between Messrs. Podder Industries Private Ltd., and Rungneet Tea Estate on the one hand and their workmen represented by National Union of Plantation Workers, West Bengal, on the other, was referred to this Tribunal by the Government of West Bengal, Labour Department order No. 1571/I.R./1R/91L-10/67, dated 19th April 1967, under section 10 of the Industrial Disputes Act for adjudication on the following issue:

Issue

What should be the quantum of bonus, if any, payable to the workmen for the year 1962? Whether the present management or the management which ran the tea estate prior to December 1962 should be held liable for payment of the bonus due to the workmen, if any, for the year 1962?

On getting notice of the reference from the Tribunal, both parties appeared on 29th May 1967 and prayed for time for filing written statements. Accordingly time was allowed till 12th June 1967. On that day, however, the Union was absent and took no steps and on the prayer of the Company time was allowed to 7th July 1967. On that date the Company again prayed for further time; and as a last chance the case was adjourned to 17th July 1967 for filing statement, if any. But on that date the Company did not appear and took no steps. The Union was also absent.

Under the circumstances, it seems there is no further dispute between the parties and that is why they are not taking steps in this case.

Accordingly, I pass this 'no dispute' award.

In the matter of an Industrial dispute between the Commissioners of the Konnagar Municipality, P.O. Konnagar, Hooghly and their workmen represented by the Hooghly District Municipal Workers' Union, 346 C. T. Road, Belur, Howrah. (Case No. VIII-298/61.)

BEFORE THE SEVENTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri R. K. SHARMA, H. J. S., Judge,
Seventh Industrial Tribunal.

For the Union : Shri J. Pandey, President.

For the Municipality : Shri N. M. Das Gupta. Advocate.

AWARD

By Government of West Bengal, Labour Department, order No. 5475-I.R./1R/141-15(A)/61, dated Calcutta, the 11th September 1961, the Governor was pleased to refer the industrial dispute between the Commissioners of the Konnagar Municipality, P.O. Konnagar, Hooghly, and their workmen represented by the Hooghly District Municipal Workers' Union, 346 G. T. Road, Belur, Howrah, relating to the under mentioned issues for adjudication by the Seventh Industrial Tribunal constituted under Notification No. 3115-I.R./1R/3A-6/59, dated the 21st June 1960.

Issues

1. Whether the refusal of employment to Shri Jogeswar is justified ? To what relief, if any, is he entitled ?

2. Whether the suspension of Sarvasri Jogi, Ramswarup, Pearelal and Ramdhani for an indefinite period is justified ? To what relief, if any, are they entitled ?

On receipt of the order of reference from the Labour Department of the Government of West Bengal, the case No. VIII-298 of 1961 was registered by this Tribunal and notices were issued to the parties fixing 6th October 1961, for filing of written statement by the Union and for the appearance of the parties. The notices were duly served and the parties appeared before the Tribunal on 6th October 1961. On the prayer of the representative of the Union for time to file the written statement, the prayer was granted and 25th October 1961 was fixed for filling a written statement by the Union. The representative of the Union again prayed for time on 26th October 1961, and the prayer was granted allowing time till 23rd November 1961, for filling the written statement. On 23rd November 1961 the Union representative again filed a petition praying for extension of time for filing written statement. The Tribunal granted time till 8th December 1961, as a last chance. On 8th December 1961 no one appeared on behalf of the Union and no step was taken and no cause was shown for failure to file written statement. The Tribunal *suo moto* agreed to wait till 20th December 1961. for filling written statement on behalf of the Union. On 20th December 1961 no one appeared and no written statement was filed by the Union. The Tribunal was, therefore, of the opinion that probably the dispute had ceased to exist and so no one took interest. The Tribunal further observed in its order sheet that no dispute award would be made accordingly. The Tribunal, however, reserved the award. On 21st December 1961, Shri J. N. Pandey, President of Hooghly District Municipal Workers' Union, appeared and filed a petition praying for giving the Union a chance of being heard. The Tribunal then fixed 29th December 1961 for hearing of the petition. On 29th December 1961, Shri Pandey appeared, but it was found that the copy of the petition could not be served on the other party. The Tribunal then fixed 6th January 1962 for hearing of the petition and directed the Union representative to file an affidavit in support of the petition and directed to serve a copy of the petition on the other party. On 6th January 1962, the petition was heard and the parties were represented before the Tribunal. The Tribunal was of opinion that there was cause for absence of the Union and the 'no dispute' award reserved by it not being signed, could not bound the Tribunal. Ultimately, the Union's application, dated 21st December 1961, was allowed and further time was given for filing written statement. (Time was granted to file the written statement till 17th January 1962). On the 17th January 1962 the Secretary of the Union filed a written statement. Thereafter, the Municipality was asked to file its written statement. The Municipality wanted time to file its written statement. Thereafter, it appears from the order sheet, the dispute was dragged to the Hon'ble High Court and further proceedings were stayed. However, the rule was discharged and the Municipality was asked to file written statement by 6th July 1965. The Municipality asked for time and the same was granted. Again, the Municipality prayed for time and again it was granted. On 8th November 1965, the Municipality filed its written statement. Thereafter, various necessary steps were taken, but the Tribunal being engaged in hearing the Major Engineering matter, this case was not taken up.

Ultimately 21st July 1967, was fixed for the hearing of this case. On 21st July 1967, the parties appeared before this Tribunal and expressed a desire to settle the matter amicably out of court. The Tribunal gave time as prayed for and fixed 24th July 1967, for the filing of compromise petition, if any, by the parties. On 24th July 1967, the parties appeared and filed a petition stating therein the terms on which the dispute was settled by the parties amicably out of court. The parties prayed that an award in terms of the compromise effected between the parties should be passed by the Tribunal.

I have considered the order of reference, the written statements and also the petition of compromise. From the petition of compromise, it is clear that the worker who had been refused employment is reinstated and the workers who had been suspended and subsequently dismissed are also reinstated. The Municipality does not want to proceed on with its application under section 33(1)(b) of the Industrial Disputes Act against the workmen who had been dismissed during the pendency of this reference. All in all, to me it appears that the terms of compromise are quite fair, voluntary and justified in the circumstances of the case. Therefore, I have no hesitation to pass an award in terms of the settlement amicably arrived at between the parties out of court. Hence, I pass the award in terms mentioned in the petition set out hereinbelow as Annexure A to this award.

Thereafter lists of documents were called for and they were filed. After the new Judge joined the Seventh Industrial Tribunal as its presiding officer, 19th July 1967 was fixed for fixing a date of hearing. On 21st June 1967 the applicant workman appeared and filed a petition stating that as he had settled his dispute with the Company amicably outside Court, he does not want to proceed on with the case. The petition was accepted. On 19th July 1967 the petition was put up for orders. The Company appeared by its lawyer. The workman did not appear. Another lawyer appeared before the Tribunal and made verbal submissions that he would procure power from the workman concerned and the dispute would be re-agitated. The learned lawyer appearing for the Company challenged the *locus standi* of the intervener and his right to make submissions before the Tribunal. The Tribunal considered the matter and was of opinion that the lawyer who appeared without any power had no *locus standi* to make any submissions before the Tribunal.

The petition filed by the workman that he had settled the dispute amicably outside Court and he does not want to prosecute his cause further is accepted and on that basis, I pass a 'no dispute' award. The petition filed by the workman be published as Annexure to this award.

Prabartak Printing and Halftone Ltd., 52/3 Bepin Behari Ganguli Street, Calcutta-12 and their workmen represented by Press Employees' Association, 249-B Bepin Behari Ganguli Street, Calcutta-12, regarding the issue mentioned in the said order being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Sixth Industrial Tribunal;

And whereas the said Sixth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Prabartak Printing and Halftone Ltd., 52|3 Bepin Behari Ganguli Street, Calcutta-12 and their workmen represented by Press Employees' Association, 249-B Bepin Behari Ganguly Street, Calcutta-12. (Case No. VIII-182/66.)

BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri S. M. CHATTERJEE, Judge.

AWARD

The Government of West Bengal, Labour Department, by order No. 2135-I.R.|IR|13L-7|66, dated the 28th May 1966, has referred the following industrial dispute existing between Messrs. Prabartak Printing and Halftone Ltd., and their workmen, represented by Press Employees' Association, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication, on the following issue:

Issue

Whether the Management is justified in keeping the following workmen under suspension for an indefinite period ? To what relief, if any, are they entitled to ?

(i) Shri Bholanath Das; (ii) Shri Jagadish Bera; (iii) Shri Arun Kumar Sinha; (iv) Shri Madhusudan Chowdhury; (v) Shri Asoke Bhattacharya; (vi) Shri Ramgopal Shome; (vii) Shri Mantu Kumar Mandal; (viii) Shri Shyamsundar Mukherjee; (ix) Shri Dharanidhar Mukherjee; and (x) Shri Sailendra Nath Gayen.

After necessary preliminary proceedings and several adjournments taken by the parties,. the case was fixed on 14th July 1967 for hearing. On 14th July 1967 Shri Anil Das Chowdhury, Advocate for the Press Employees' Association, filed a petition stating that the workmen concerned were not interested to proceed with the case.

I heard Shri Das Chowdhury for the Association and perused the petition. None appeared on behalf of the Company though a petition for adjournment was filed and not moved. This petition was rejected. It is clear that none of the parties is keen on adjudication of the dispute and that they have given up the dispute for the purpose of adjudication of the case. Accordingly, the case is to be disposed of by a no-dispute award.

In the result, I make a no-dispute award in this case on the basis that the parties have given up the dispute which has thereby ceased to exist for the purpose of adjudication.

Dictated and corrected by me.

S. M. CHATTERJEE, Judge.

A

BILL

to amend the Calcutta Improvement Act, 1911.

WHEREAS it is expedient to amend the Calcutta Improvement Act, 1911, for the purposes and in the manner hereinafter appearing; Ben. Act V of 1911.

It is hereby enacted in the Eighteenth Year of the Republic of India, by the Legislature of West Bengal, as follows :—

Short title. **1.** This Act may be called the Calcutta Improvement (Second Amendment) Act, 1967.

The Calcutta Improvement (Second Amendment) Bill, 1967.

(Clauses 2—6.)

Amendment of section 4 of Ben. Act V of 1911.

2. In sub-section (*1*) of section 4 of the Calcutta Improvement Act, 1911 (hereinafter referred to as the said Act),—

(*a*) in clause (*c*), after the words "by the Corporation", the words "in accordance with the system of proportional representation by means of the single transferable vote" shall be inserted;

(*b*) for clause (*d*), the following clause shall be substituted, namely :—

"(*d*) two persons, not being Ministers, elected in the manner prescribed by rules by the State Government, by an electorate consisting of the following persons from among themselves, namely :—

(*i*) the members of the House of the People elected from territorial constituencies which are wholly or in part within the Calcutta Municipality,

"(*ii*) if he was elected or appointed as being a member of the Corporation, or of the House of the People or the Legislative Assembly of the State or the Legislative Council of the State and if he is, at the date of such notification, no longer a member of the Corporation, or of the House of the People or the Legislative Assembly of the State or the Legislative Council of the State, as the case may be.".

5. In clause (*a*) of sub-section (*1*) of section 116 of the said Act, for the word "Imperial", the word "State" shall be substituted.

Amendment of section 117.

6. In sub-section (*1*) of section 117 of the said Act, for the word "Imperial", the word "State" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

Of the eleven members of the Board of Trustees for the Improvement of Calcutta, two represent the different Chambers of Commerce and three are members of the Corporation of Calcutta. The Chambers of Commerce as such are not so much concerned with the improvement schemes contemplated by the Calcutta Improvement Act, 1911, as the residents of Calcutta, while a better way of representing the members of the Corporation would be to introduce election by proportional representation

2. Clause 2 of the Bill provides for such proportional representation of the members of the Corporation, and also for replacement of the two members from the Chambers of Commerce by two persons elected from among themselves by an electorate consisting of the members of the House of the People, the Legislative Assembly and the Legislative Council elected from constituencies in Calcutta other than the Assembly constituency. This is the primary object of the Bill.

3. Clause 3 of the Bill is consequential to clause 2, and clauses 4 to 6 are in the nature of clerical amendments.

Fifth Industrial Tribunal.

Present for the Company: Shri J. Datta Gupta, Advocate of Messrs. Orr Dignam and Co., Solicitors.

Present for the Mazdoor Congress: Shri D.L. Sen Gupta, Advocate and Shri Anil Das Choudhuri, Advocate.

This is a reference under section 10 of the Industrial Disputes Act by the Government of West Bengal, Labour Department, order No. 602/IR/IR/10L-9/67, dated 15th February 1967, for adjudication of an industrial dispute relating to the undermentioned issue existing between Messrs. Thomas Mouget and Co. (India) Ltd. and their workmen represented by Thikadar Mazdoor Congress.

Issue

Is the dismissal of Sarbasri Inderjit Singh and B. John justified? What relief, if any, are they entitled to?

Both parties appeared and filed their respective written statements in response to the notices issued by this Tribunal. The case was taken up for hearing at Durgapur upon representations made by the parties. The Union examined one witness and the Company two. A large number of documents were made exhibits on either side.

The case of the Union (Mazdoor Congress), in brief, is that this Company was started in 1961 and it is engaged in the business of scrap reclamation of the Durgapur Steel Plant. It is an Indo-British collaboration, the Indian partner being Shri Aminchand Pyaralal and the British partner Mr. Thomas Mouget. Shri Inderjit Singh and Shri B. John were workmen of the Company and they were good friends. Both of them were charge-sheeted and suspended by the Company by letters, dated 30th June 1966, over a minor quarrel having no relation with the factory. The copy of the charge-sheet reached Shri B. John much later, and an explanation was jointly given by these two workmen on 4th July 1966. They pleaded innocence and prayed for withdrawal of the charge-sheet and the suspension orders. It is alleged that the Company held a perfunctory enquiry with a *mala fide* motive to victimise them and discredit the Union of the workmen of which both of them were active workers, and dismissed them by letter, dated 11th July 1966.

In the written statement filed by the Company, it is stated inter alia that these two workmen Inderjit Singh and B. John along with another workman R.John were charge-sheeted on 30th June 1966 for acting in a riotous manner on the Company's premises on 28th June 1966 at about 2 p.m.

On 30th June 1966 the Company received a letter from Shri B. John, dated 28th June 1966, alleging inter alia that Inderjit Singh had abused him in filthy language and had attacked him with a dangerous weapon. On the same date the Company received another letter of complaint from Inderjit Singh, dated 29th June 1966, alleging that while he was arguing with B. John on 28th June 1966 the latter all on a sudden lost his temper and hit him on his head with a stone, and his brother R. John helped him. The charge-sheet was served on Inderjit on 1st July 1966. B.John refused to accept his charge-sheet. The Company admits that on 4th July 1966 a joint letter was received by it from the charge-sheeted persons with a request to withdraw the charge-sheets and orders of suspension on the ground that the dispute was of a personal nature and it had been settled mutually. Thereafter Inderjit Singh and R. John submitted their replies to the charge-sheets, but B. John did not submit his reply. An enquiry committee was constituted consisting of Shri M.L.Mukherjee and R. N. Mitra and notices were issued to the workmen fixing 5th July 1966 as the date of enquiry. This date was extended to 7th July 1966 as the workmen were absent. On the last mentioned date the enquiry committee met at 10 a.m. with witnesses on behalf of the Company and waited up to 11 a.m., and the workmen concerned having failed to appear the committee proceeded ex parte. In the finding arrived at by the enquiry committee Shri Inderjit Singh and Shri B. John were found guilty and Shri R. John was exonerated. Accordingly, these two workmen were dismissed by letter, dated 11th July 1966.

A Committee of enquiry was constituted by the management with two members, viz., M.L.Mukherji and R.N.Mitra. The Company has examined Shri Mukherjee in the Tribunal as O.P.W.1. Shri Mitra was not examined. The proceedings of the enquiry were produced and marked Ext. A, and the documents considered by the enquiry committee were marked Ext.B series. The findings of the committee is Ext.C. All the 3 employees, namely, Shri B.John, Shri R.John and Shri Inderjit Singh, were charged with the same offence of "acting in a riotous manner within the Company's premises", as will appear from the charge-sheets, Exts. B(7) to B(9). It will appear from the explanations given on the charge-sheets that R.John and Inderjit Singh pleaded not-guilty to the charge. No explanation appears in the charge-sheet sent to B.John and it is the specific case of the Union that the latter did not receive the charge-sheet. We are not concerned with R. John as he was exonerated by the enquiry committee. The explanation given by Inderjit Singh is that on the relevant date, i.e., 28th June 1966, at about 1-40 p.m. he was arguing with Shri B.John regarding the fact of Shri Singh's absence in connection with the incident of taking one T.C.A. Raju for medical aid, when Shri B. John lost his temper and hit him with a stone on his head. This explanation was given by Inderjit Singh on 1st July 1966. All the 3 charge-sheeted workmen, however, submitted a joint petition to the Manager of the Company on 4th July 1966 (vide Ext. B-10) stating that they were all old friends to each other, and if any dispute had occurred between them that was their personal problem and they had settled up the matter mutually. In spite of that the management thought fit to hold an enquiry and Shri Mukherji and Shri Mitra held the enquiry on 7th July 1966 in the absence of the workmen. It appears that after the incident Shri B. John made a written complaint against Shri Inderjit Singh on 28th June 1966 (Ext. B-1) addressed to the Manager alleging that Shri Singh had abused him filthily and attacked him with a dangerous weapon. Similarly, Inderjit Singh in his turn had made a written complaint (Ext. B-2) on 29th June 1966 to the Manager stating the same facts which he subsequently described in his explanation to the charge-sheet. These written complaints cannot be treated as admission of guilt inasmuch as each of these two men had made allegations against the other. The enquiry committee depended on the statements of 4 persons viz., Exts. B-3 to B-6, who claimed to have seen the incident. But none of these persons was examined by the Company before the enquiry committee as stated by Shri Mukherji, O.P.W.1. On the other hand, the four statements only purported to have been made by 4 persons were produced before the enquiry committee by the management. O.P.W.1 Shri Mukherji says that he has no knowledge as to who recorded the statements of those 4 persons. In the circumstances, these statements cannot be taken as proper evidence before the enquiry committee. Shri Mukherji says in the Tribunal that he and Shri Mitra depended on these statements to arrive at their findings. It is obvious that the findings are not therefore based on proper evidence. Next under paragraph 16(ii), clause 9 of the Standing Orders of the Company(Ext. E) one of the misconducts calling for disciplinary action is —

> "Drunkenness or riotous, disorderly or indecent behaviour, use of abusive language, threatening, intimidation of other employees or assault or threat of assault whether provoked or otherwise, within the premises of the factory or outside the factory premises if such assault takes place for something which happened in the factory or if the assault is likely to have repercussion in the factory or office."

In the instant case the management charged the delinquent workmen under this clause of the standing orders. It appears from the clause that in order to bring the case of misconduct within "disciplinary action", "riotious behaviour" must occur either within the factory premises; or in case if it occurs outside the factory premises, there must be an assault which had taken place for something happening in the factory, or the assault must be of such a nature as it is likely to have repercussion in the factory or the office. In the instant case, the specific case of the Company in the charge-sheet is that all the 3 workmen acted in a riotious manner within the "company's premises". The Company may have different premises besides the factory premises, and in this case we have found from the evidence that the Company has got stores, garage, petrol pump, etc., situated at different places. Unless the incident occurred within the 'factory premises' it will not come within the purview of this clause of the Standing Orders, keeping in mind that there is neither any charge or evidence, nor any finding to the effect that the incident took place for something happening within the factory or it was likely to have repercussion in the factory or office. It appears that the enquiry committee did not consider this aspect of the case, and there is no finding that the incident took place within the "factory premises" of the company. The charge is vague as it simply states 'Company's premises' and does not state "Factory premises".

In case of a domestic enquiry the charge-sheeted workmen must be given opportunity to receive charge-sheet and submit explanation to the same. Here the charge-sheets were sent by registered post. Shri B. John wrote a letter to Shri Mukherji on 6th July 1966 (Ext.B-14) stating that he did not receive any charge-sheet till then and consequently he could not submit his reply. He also prayed that the holding of the enquiry might be postponed till he would get the charge-sheet. Shri Mukherji held the enquiry on 7th July 1966 and it appears that the enquiry committee considered the registered envelope which came back with the postal remark 'refused' (Ext. B-16). If we scrutinise the endorsements by the postal peon on different dates on this envelope, it will appear that Shri B.John was found 'absent' on 4th, 5th, 6th and 7th July 1966 and the envelope was 'refused' on 8th July 1966. But the enquiry was held before that unless there is refusal of the charge-sheet it cannot be said that it was properly served. The enquiry committee, therefore, acted against the principles of natural justice in not waiting till the service of the charge-sheet or its refusal.

The findings of the enquiry committee, therefore, cannot be sustained as it was not based on proper evidence and it being conducted without following the principles of natural justice.

The Company tried to prove the case by adducing evidence in this Tribunal and, besides the enquiry officer another officer Shri R.H.Kerr was examined. O.P.W.1 has said that he had no personal knowledge about the incident. The evidence of Shri Kerr, the General Foreman, Maintenance, is that at about 2 p.m. on 28th June 1966 he was working at Marion No.2 which was near the workshop, when he heard a noise coming from the front of the stores. He rushed there and saw 20/30 men collected there, and there he found B.John holding back Inderjit Singh who had a steel bar in his hand, and B.John hitting Inderjit with a stone on his head. This witness says that the place of the incident was in front of the Stores and in the Company's premises. He does not say that it was within the 'factory premises'. In cross-examination he says that the incident took place in the garage which was meant for repairing of cars. None of the persons whose recorded statements were produced before the enquiry was examined in this Tribunal. The Union examined P.W.1 Shri T.V.Lippert, an exavator operator of the Company, who was present at the time of the incident. He saw arguments going on between B. John and Inderjit Singh, and he did not see any assault. This witness has drawn a sketch map Ext. 4, showing the place of the incident which appears to be just on the side of the Feeder Road, near the petrol pump and at a great distance from the office and garage and the separating plant of the Company. According to Shri Lippert, both B. John and Inderjit are active members of the Thikadar Mazdoor Congress. It was suggested to Shri Lippert in cross-examination that the incident took place near the office of the Company. Here also there is no such case that the incident took place within the factory premises.

It is, therefore, clear that the Company has failed to prove that these two workmen acted in a riotious manner within the "factory premises". Moreover, by the charge-sheet the Company suspended these two workmen from duty for 4 days with effect from 1st July 1967. Under paragraph 16(i) of the Standing Orders "a workman may be suspended for a period not exceeding 4 days at a time......if he is found guilty of misconduct". This suspension of 4 days is a penal clause, and it is not suspension pending enquiry. Had the management intention of suspending the delinquent workmen pending enquiry, there would not have been specific mention of a period of suspension for 4 days. The explanation of Shri Mukherji, O.P.W.1 that the Manager hoped that the enquiry and the finding would be completed within 4 days and hence he suspended the workmen for 4 days, cannot be taken as true. The Manager was not examined by the Company. It seems that the management gave a double punishment to to the workmen by first punishing them by suspension for 4 days, and thereafter by dismissing them. It may also be pointed out that O.P.W.1 Shri Mukherji in cross-examination categorically stated that these workmen were dismissed on charge of "Acting in a riotous manner in the Company's premises". He does not say 'factory premises'.

There is a provision in the Standing Orders, paragraph 16(v) that in awarding punishment the Manager or the officer authorised, shall take into account the gravity of the misconduct, the previous record of the workman, and any other extenuating or aggravating circumstances that may exist. In the instant case, both the charge-sheeted workmen had settled up their difference, withdrew their allegations against each other, and specifically submitted these facts before the Manager by letter, Ext. B-10, dated 4th July 1966. They said in this letter that the incident was their personal problem, and that it did not cause any loss or damage to the Company's properties, or work of the Company, and that they were all old friends. The Manager should have considered this fact as an extenuating circumstance before awarding punishment of dismissal. But that was not done.

Considering all these facts and points I find that the order of dismissal of Shri B.John and Shri Inderjit Singh cannot be upheld and I, therefore, decide the issue in favour of the workmen.

The Company is directed to reinstate these two workmen in their posts which they were occupying at the time of dismissal, and pay them all their back wages within one month from the date of publication of this award in the "Calcutta Gazette".

For the Union Shri Susobhan Roy, Advocate.

For the Company: Shri N. M. Saha, Advocate.

In this reference over the dispute between Messrs. Kesoram Industries and Cotton Mills Ltd., 42 Garden Reach Road, Calcutta-24 (hereinafter described as the company), and their workmen represented by Garden Reach Textile Worker's Union, 1|1 Garden Reach Road, Calcutta-24 (hereinafter called the Union), the issue for adjudication runs as follows:

Issue

Is the management justified in refusing employment to Shri Baidyanath from 22nd June 1966 to 19th July 1966 and treating the period as leave without pay? To what relief, if any, is he entitled?

The parties appeared in this case and submitted their written statements. In short, the case of the union is that Shri Baidyanath went home on statutory leave with wages from 18th May 1966 to 31st May 1966. As he fell sick during the leave, he applied to the company for leave on medical ground by medical certificate sent through post. The workman received no letter in reply. After being cured he came back to Calcutta and obtaining a fit certificate from the Employees State Insurance doctor he came to resume his duties from 22nd June 1966. He was not however allowed to join his duties. That very day he applied to Labour Welfare Officer of the company praying for permission to resume his duty. That prayer was also refused. Shri Baidyanath again applied to the Factory Manager on 24th June 1966 asking for permission to join his service. The Union thereafter raised a dispute before the Assistant Labour Commissioner, West Bengal, on 30th June 1966. On 8th July 1966, Shri Baidyanath again applied to the Factory Manager stating the fact and on 12th July 1966 the workman received a letter from the company dated 9th July 1966 asking him to submit document to satisfy the company about his sickness at home. On 13th July 1966, Shri Baidyanath submitted some documents. On 19th July 1966, the workman received a letter, dated 15th July 1966, wherein he was asked to resume his duties and at the same time he was informed that the period from Ist June 1966 to 21st June 1966 was treated as leave on the ground of illness but the subsequent period from 22nd June 1966 up to the date of his resumption of duty would be treated as leave without pay. According to the union the workman was entitled to all wages and benefits for the period from 22nd June 1966 as the workman in question was not allowed by the company to resume his duties most illegally.

To be brief, the case of the company in the written statement is that Shri Baidyanath was granted leave up to 31st May 1966. The company however received a medical certificate from Shri Baidyanath on 2nd June 1966 sent through post without any formal application for the extension of leave. The medical certificate recommended the workman rest for three weeks from 31st May 1966 on the ground of treatment. The company did not extend on the ground of exigencies of circumstances. After the refusal of leave Shri Baidyanath did not return eight days of the expiry of leave and explain to the satisfaction of the manager his inability to return before the expiry of leave in terms of provisions of the company's standing orders. The company for the first time received a representation on 8th July 1966 from the workman. In this representation reference was made to two letters, dated 22nd June 1966 and 24th June 1966, alleged to have been written to the company. In fact, those letters were not received by the company. By a letter, dated 9th July 1966, the company however gave an apportunity to Shri Baidyanath to satisfy the company about his illness by production of documents. The workman forwarded some documents as asked by the company and the company, being satisfied that Shri Baidyanath was ill up to 21st June 1966, sanctioned leave up to that day on the ground of illness, and the subsequent period up to the date of resumption of duty was treated as leave without pay because the workman was found to be absent without any proper reason. The company, according to the standing orders could have seriously dealt with this misconduct of Shri Baidyanath but it adopted a lenient view for the unauthorised absent. The decision arrived at by the company was proper and bonafide.

In this case it is to be determined whether the decision of the company to grant leave without pay to Shri Baidyanath from 22nd June 1966 to 19th July 1966 was proper and justified. The evidence sows and there is no dispute that after perusing the papers submitted by Shri Baidyanath the company was satisfied that Shri Baidyanath was ill while at home and that he required medical leave on the ground of illness. The company therefore granted medical leave up to 21st June 1966. The union in this case wants to say that Shri Baidyanath went to the factory of the company to resume his duties after obtaining fit certificate from a penal doctor of Employees State Insurance, and that he was not allowed to resume his duties. The union wants to say further that Shri Baidyanath wrote two letters—one to the Labour Welfare Officer and the other to the Factory Manager on 22nd June 1966 and 24th June 1966 respectively. On this point the union has examined P. W. 1, Bhawani Roy Chowdhury, the Working President of the union. His evidence is that Shri Baidyanath came to the union and a letter was typed and Shri Baidynath signed the same. The witness has proved Ext. 5, a copy of the letter alleged to have been sent to the Labour Welfare Officer of the company on 22nd June 1966. The witness has further stated that another letter was typed and signed by Shri Baidyanath and the letter was sent to the company. The copy of the letter has been marked Ext. 6. It is quite clear that this witness has got no personal knowledge as to whether, in fact, Shri Baidyanath sent the two original letters to the company but his evidence is that Shri Baidyanath showed him the certificates of posting. He has stated that these certificates are lying with Shri Baidyanath. There is no other witness in this case on behalf of the union. The best witness in this case would have been Shri Baidyanath who could have stated whether or not he went to join his duties on 22nd June 1966 or whether he was not allowed to join his duties. Shri Baidyanath has not been examined in this case. He has not come to appear before this Tribunal and to face the company for cross-examination. On the other hand, the Labour Officer of the company, Hiran Kumar Deb has been examined as O. P. W. I. His evidence is that on 2nd June 1966 the company received one medical certificate from Shri Baidyanath without any leave application for extension of leave. That very day the company sent a letter to Shri Baidyanath under certificate of posting refusing extension of leave. The office copy of the letter has been marked Ext. G, and the certificate of posting is marked Ext. G/1. O. P. W. 1 has asserted on oath that Shri Baidyanath had never come and offered any letter thereafter. Of course, subsequently a letter, dated 8th July, 1966, wrongly dated as 8th October 1966 was received on 9th July 1966. That letter has been produced and marked Ext. D|1. The definite evidence is that the company did not receive any letter, dated 22nd June 1966 or 24th June 1966. In this case I am satisfied that O. P. W. 1 is a truthful witness and I accept his evidence. There is no reliable evidence worth the name to prove that Shri Baidyanath ever went to the factory of the company to resume his duties on 2nd June 1966 or that he was refused employment at any time. I find that the story of the union set up in this case is unacceptable and I reject the same. In this connection Rules 9 and 14 of the standing orders of the company are relevant. The standing orders will appear in Ext. 5. There is no dispute about the standing orders of the company. It is clear from Ext. F that in case any workman desires any extension of leave, he shall apply to the Manager for the same. If a workman remains absent beyond the period of leave originally granted or subsequently extended, he shall lose his lien on his appointment unless he returns within eight days of the expiry of the leave and explains to the satisfaction of the Manager his inability to return before the expiry of his leave. In case the workman loses his lien on his appointment, he shall be entitled to be kept on the badli list. The standing orders further say that a workman may be dismissed if a workman becomes habitual absence without leave or absence without leave for more than ten days. It is quite evident that in the present case the company could have made an attempt to place Shri Badrinath on the badli list or started proceeding for disciplinary action under rule 14 of the standing orders. But the evidence shows that the company took a linient view and without any malice gave an apportunity to Shri Badrinath to resume his duties as before treating the unauthorised absent of Shri Badrinath from 24th June 1966 up to his resumption of duty as leave without pay. Practically speaking, this is an act of grace on the part of the company. It further shows that the company had no ill feeling towards Shri Badrinath although the latter took up a false plea that he was refused employment on and from 22nd June 1966. The evidence shows that at first the company refused extension of leave due to exigencies of circumstances but later on the company revised its decision and granted medical leave from 1st June 1966 to 21st June 1966 on being satisfied that Shri Badrinath was really sick at home. This also shows bona fide on the part of the company.

However, in the facts and cirmustances of this case I hold that the company was justified in treating the period from 22nd June 1966 to 19th July 1966 as leave without pay and that no case has been made out against the company and in favour of Shri Badrinath. No question of relief can therefore arise in the present case. The issue is thus decided against the union.

Issue

Whether the termination of services of Sarbashree Amanulla Chowdhury and Amar Bose is justified? What relief, if any, are they entitled to?

On receipt of the order of reference, usual notices were served on the parties fixing 27th January 1967 for their appearance as also for filing of written statement by the Association. The Association appeared on 27th January 1967 and filed a petition for time to file written statement. Company, however, did not appear on that date and the case was fixed on 13th February 1967 for filing of written statement by the Association. On 13th February 1967 written statement in triplicate was filed by the Association and company was directed to file its written statement on 13th March 1967. Company, however, did not file any written statement on 13th March 1967; nor did it appear on that date. Thereafter a copy of the written statement filed by the Association together with the direction to appear on 26th April 1967 was sent to the company under registered post with acknowledgment due. That letter was duly served but the company did not appear. Accordingly the case was taken up for ex-parte hearing on 25th July 1967.

During the ex-parte hearing, Association examined Sarbashree Amanulla Chowdhury and Amar Bose —the two workers mentioned in the order of reference to substantiate its case as stated in the written statement on its behalf. In the said written statement the Association has alleged that the services of Sarbashree Amanulla Chowdhury and Amar Bose, two workmen of the company, have been terminated without any just or sufficient reason and prayed for their reinstatement with wages during the period of their forced unemployment.

In his evidence before the Tribunal Shri Amanulla Chowdhury stated that he was working in the company from about 9 months before September 1965 and that though he had reported for duty on 11th and 13th September to 16th September 1965 he was given only half day's work on the 11th and no work on any of the other days. He said further that on 17th September 1965 he had sent to the company the letter Ext. 1 protesting against the refusal of work to him on 13th to 16th September and requesting the management to give him work but the company had not sent any reply to the letter.

The other worker Shri Amar Bose has deposed to the effect that by letter, dated 13th December 1965, the management had terminated his service with effect from 31st December 1965 and that this letter of the company was followed by a series of correspondence marked Exts. 3(a), 3(b), (3c) and (3d) between him and the company over his dismissal. By its letter Ext. 3 the company intimated Shri Bose that though his work was not satisfactory and his temporary service under it was liable to be terminated with effect from 31st December 1965, in terms of his appointment, still it was agreeable to allow him to prove his merit if he would so desire. In reply to this letter Shri Bose sent the letter Ext. 3(a) and therein he stated that he had never neglected to do his works and also assured the company that he would try to do his works to the satisfaction of the management. Company's reaction to this letter Ext. 3(a) was not favourable to Shri Bose and it informed him by its letter, dated 31st December 1965 [Ext. 3(b)] that it was willing to give him a further chance for 3 months on temporary basis to prove his merit and asked him to communicate immediately his final decision regarding the proposal. Company's letter Ext. 3(b) was followed by its letter, dated 12th January 1965, marked Ext. 3(c), and by it the company informed Shri Bose that as he had not given his final opinion regarding the proposal for further employment up to 31st March 1965 on purely temporary basis it had no reason to review its previous order terminating his service with effcet from 31st December 1965, and directed him to draw his arrear dues from the company. After perusing all correspondence between the company and Shri Bose and the letters evidence before me I have not the slightest hesitation to conclude that the termination of service of Shri Bose with effect from 31st December 1965 was absolutely illegal and without any justification. Even if it be assumed that Shri Bose was taken in on a purely temporary basis, still in the absence of any evidence indicating that his appointment was up to 31st December 1965, the company's dismissing him from service without any charge-sheet or any opportunity to him, cannot be justified. In his evidence before me Shri Bose has said that when he was appointed the company had not told him that his service was temporary and would terminate with the end of December 1965. This statement of Shri Bose I cannot disbelieve as the company has not, in spite of service of the notice of reference and of the copy of the written statement of the Association, appeared to challenge the Association's case for reinstatement of two workers. Shri Bose's evidence read with the correspondence between him and the company above referred to unmistakably proves that his dismissal has offended the principles of natural justice. He must accordingly be reinstated with all back wages as prayed for.

The other worker is also entitled to be reinstated as it has been proved by his unchallenged evidence that the company had without any just or sufficient cause refused him employment since 12th September 1965.

In view of the findings made above an award directing the company to reinstate the concerned workers Sarbashree Amanulla Chowdhury and Amar Bose with all back wages and other allowances, if any, since its refusal of employment to them, is passed.

This is my award which is to be implemented within a month of its publication in the "Calcutta Gazette."

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri S. K. BHATTACHARYYA, Judge,
Second Industrial Tribunal.

By order No. 318-I R./IR/11L-23(E)/65, dated Calcutta, the 22nd January 1966, Government of West Bengal, in the Labour Department, referred an industrial dispute between Messrs. Martin Burn Ltd., and their workmen represented by the Martin Burn Indian Employees' Union to this Tribunal for adjudication on the following issue:—

Issue

Whether the four workmen named below are entitled to the grades, scales of pay and dearness allowance for clerks? If not, what should be their grades and scales of pay and dearness allowance?

(i) Shri Sukumar Ghosh.
(ii) Shri Atindra Nath Sarkar.
(iii) Shri Nihar Ranjan Sinha Roy.
(iv) Shri Manik Lal Chakravorty.

After receipt of the reference notices were issued on the parties who entered appearance and filed separate written statements.

The Union in their written statement filed on 28th March 1966, inter alia contended that the company employed Sabashee Sukumar Ghosh, Atindra Nath Sarkar, Nihar Ranjan Sinha Roy and Manik Lall Chakraborty for performing absolutely clerical work but they are being denied the benefits extended to about 800 other clerks of the company who draw their pay in the scale of the clerks being Rs. 70—4—138—7—208. Moreover the clerical staff of the company are entitled to Dearness Allowance according to the B.C.C. scheme which is 185 per cent. of the basic pay on the first hundred rupees at the price index of 547 points and half of that on the second hundred and half of that on the third and successive hundreds. Consequently a member of the clerical staff of this company is entitled to a minimum pay packet of Rs. 199.50 inclusive of dearness allowance and also entitled to confirmation on completion of six months of service with annual increment in his scale. The four abovementioned clerical staff were in continuous employment of the company for a long time and were confirmed after serious agitation by the Union on the dates shown against their names in paragraph 9 of the Union written statement. All the four workmen were denied the benefits of the scales of pay and the Bengal Chamber of Commerce scale of dearness allowance and they are being arbitrarily given a consolidated pay which is much less than what they should draw, even though they are full time and regular employees of the company. The Union objected against this unfair exploitation of human labour in their letter, dated 3rd February 1964, which was turned down by the company on technical grounds. The Union thereupon took up the matter with the Labour Directorate, Government of West Bengal and certain conciliation proceedings were started and as the company adopted an uncompromising attitude, the matter has been referred to this Tribunal for adjudication. The Union prays in the circumstances that the Tribunal may be pleased to answer the issue in favour of the workmen and hold that the aforesaid four workmen are entitled to the clerical scale of pay and Bengal Chamber of Commerce scale of dearness allowance with retrospective effect from the date of their respective appointments.

The company in their written statements filed on 23rd June 1966, inter-alia contended that the dates of appointment of Sarbasree Sukumar Ghosh, Atindra Nath Sarkar, Manicklal Chakraborty and Nihar Ranjan Sinha Roy were not correctly given in the written statement of the Union and all of them were employed in the year 1964 for the purpose of doing the work of outdoor sircars as probationers on terms and conditions mentioned in their respective letter of appointments which were made annexures to the company's written statement. They were duly confirmed in their service on completion of their probationary period. Prior to their appointments as probationer outdoor Sirkars, the company admitted that they used to be employed on more or less identical work as temporary hands in the exigencies of the company's business. The company asserts that the work for which they were employed and which they in fact perform are not clerical but outdoor sarkar's work which can be and in fact done by the subordinate staff also. The company denied that items of work detailed in paragraph I of the Union written statement were all clerical work or that the aforementioned employees are doing the same or similar type of work. The company further contended that the aforesaid four workmen are outdoor Sarkars and their pay scale has been fixed duly and properly by the company after taking into consideration their intelligence, the nature of responsibility and value of their work. They are not clerks and as such they are not entitled to clerical scale of pay or the Bengal Chamber of Commerce scale of dearness allowance as claimed by the Union. In any event they are not entitled to demand pay scale and dearness allowance with retrospective effect from the date of their appointment and/or adjustment as demanded by the Union.

The appearances of the parties as follows:—

For the Company : Shri P. P. Ginwala, Counsel and Shri Orijit Choudhury, Counsel.

For the Union : Shri D. L. Sengupta, Advocate, with Shri Madan Mohan Saha, Advocate.

The Union examined 13 witnesses and the company examined three witnesses. Of the witnesses examined by the Union, P.W. 1 Biswanath Mitra is the Secretary of the Martin Burn Indian Employees' Union, P.W. 2. Sukumar Ghosh, P.W. 3 Nihar Ranjan Singha Roy, P.W. 4 Manicklal Chakraborty, P.W. 5 Atindra Nath Sarkar, are the four workmen whose scales of pay and dearness allowance are the subject matter of the present reference. P.W.6 Anil Kumar Sinha and P.W. 7 Abani Kanta Roy, are the two outdoor clerks of Messrs. Martin Burn Ltd., for over 20 years who draw pay and dearness allowance in the clerical scale. P.W. 8 Samiran Bose is an Inspector of the office of the Collector of Land Custom. P.W. 8 Lal Behari Mukherjee, is the Assistant Commercial Inspector of South Eastern Railway (Shalimar). P.W. 10 Ahi Bhusan Bose is the Assistant in the office of the Controller of Stores, Eastern Railway, P.W. 11 Chittaranjan Sett is the Assistant Inspecting Officer, Durgapur Steel Plant (Hindusthan Steel) Limited. P.W. 12 Gopal Singh Maunas, a clerk in the office of the Electrical Power Superintendent, Eastern Railway, Sealdah and P.W. 13, S. P. Gupta, Assistant Inspecting Officer of Directorate of Inspection (D.G.S. & D.) Calcutta. Six last named witnesses are more or less formal witnesses who came to prove their respective office records.

The company, on the other hand, examined Prasun Mukherjee (O.P.W. 1), a Sales Executive (Metals Department of the company for the last 20 years. O.P.W. 2 Dipendra Nath Sen, an officer attached to Electrical Engineering Department of Messrs. Martin Burn Ltd., since 1952 and O.P.W. 3 A. K. Singh, an Assistant in the Agency Department of the company for about 15 years. The outdoor sarkars are more or less attached to the departments in which these officers are working.

In course of hearing the company conceded that of the four workmen Nihar Ranjan Sinha Roy should be fitted in the clerical grade and the issue should be answered in the affirmative in so far as this particular workman was concerned with this reservation that the fitting should be from 20th January 1967, vide order No. 13. On behalf of the workmen Shri D. L. Sengupta, however contended that the fitting in should be as and from the date of his appointment and not from the date when the company concedes the position. It is therefore necessary to examine whether the other three outdoor sirkars namely, Sukumar Ghosh, Atindra Nath Sarkar and Manick Lal Chakraborty are entitled to the grades, scales of pay and dearness allowance fixed for the clerks.

The Union in paragraph 1 of its written statement asserted that the company employed Sarbasree Sukumar Ghosh, Atindra Nath Sarkar, Nihar Ranjan Sinha Roy and Manik Lall Chakraborty for doing absolutely clerical work such as Registration of order for cables, order entry for cables, delivery order for cables, issue of sales tax declaration form—both Central and West Bengal, pay bill of temporary staff, entry of inward railway receipts and handling over the same to the Transport Agents, forwarding and writing for all sorts of booking and registration of the same, record keeping related to booking, railway receipts collection and disposal with their proper registration, cash handling for meeting the expenses incurred by way of crane charges, railway freight charges and transporting charges submitting statement for the money spent, transporting material after taking delivery from railway to the respective party, writing of despatch memo. and inspection certificate issued by Director of Inspection, arrangement of inspection and necessary work in this connection, deal with modification advice and to attend customers for early payment. The company in paragraph 4 of its written statement denied that the items of work detailed in paragraph 1 of the Union written statement are all clerical work or that its other employees are doing the same or similar kind of work. The job performed by these persons according to the company do not require the patience and neatness of a copyist nor the skill of a clerk, and as a matter of fact such work was often performed by the members of the subordinate staff. In paragraph 13 of their written statement the company further asserted that the aforesaid four workmen were outdoor sarkars and their pay scale has been fixed duly and properly by the company after taking into consideration their intelligence, the nature, responsibility and value of their work. They are not clerks and as such they are not entitled to clerical scale of pay or the Bengal Chamber of Commerce scale of dearness allowance as claimed by the Union. As the work of all the outdoor sarkars was not identical, the case of each will have to be taken up separately.

I shall take up the case of Sukumar Ghosh first. The Union in paragraph 9 to 13 of their written statement made out a case for treating these four outdoor sarkars at par with those of the clerical staff and also stated the special work done by each of them in paragraph 13 of their written statement. According to this paragraph Sukumar Ghosh represented firm in the meeting of Railways which are convened to discuss problems relating to clearing. The company in paragraph 12 of their written statement denied that Sukumar Ghosh ever represented the company in the Railway meeting for discussing the problem relating to clearing as alleged and asserted that he only writes forwarding notes and records relating to booking, collects railway receipts and handles cash not involving large amount for payment of crane charges. Sukumar Ghosh (P.W. 2) in his evidence stated that his job was to prepare forwarding notes, customs appendix II, note them in the Registration Book, to note the R. R. or Bills of laiding in company's registers to prepare statement for meetings with the Railway Officials and to keep records, to advice godown regarding despatch. These according to the witness were mainly his indoor job and his outdoor job consist of rail booking, payment of different charges and to obtain allotments. According to this witness he has been doing this work ever since his appointment in 1948 and although he was designated as outdoor sarkar in February 1964, his duties have not changed over since he entered the company. These duties used to be performed by one Ganesh Dutta formerly who was designated as an outdoor clerk and the witness succeeded another outdoor clerk Nagen Chakraborty at Shalimar when he was designated as outdoor sarkar. Ganesh Dutta and Nagen Chakraborty used to draw pay in the clerical scale and none of them succeeded in passing the matriculation examination. The witness went further to say that a man with better education will not necessarily do the job better and what was necessary was that the incumbent must be responsible, must have presence of mind and also able to speak and write Hindi, English and Bengali in order that he may tackle the job efficiently. In cross-examination the witness stated that his indoor job took nearly two hours every day and his outdoor job consumed the major part of his time. He further stated that while entering the forwarding notes in the Register he is required to note the number and date of the R.R. chalan number, destination, material, weight, freight, value and invoice number. He is not required to draft any letter but is required to put up notes in the file. As for attending meeting with the railway officials, the witness was asked in cross-examination that he attended the railway meeting at Shalimar as his officer Shri Mukherjee was late in going there. The witness denied this suggestion and on the contrary asserted that he was asked by Shri Mukherjee to attend those meetings. Such meetings according to the Union will be held once every month. Shri Ghosh produced papers to show that he represented the company at least on one occasion (vide Ext. 3). This meeting was held at 14-30 hours on 26th February 1965, in the office of the Assistant Traffic Superintendent, Shalimar and from the proceedings Ext. 3 it would appear that Shri Sukumar Ghosh produced a statement at the said meeting showing the consignments that were lying outstanding for booking at Shalimar. The witness also produced the proceedings of another meeting held at 14-30 hours on 30th January 1965 (Ext. 3a) in the mergin of which his officer made an endorsement in the following words:

> " Sukumar I asked you to attend. Did you attend ? Let me know ".

His officer Prasun Mukherjee (O.P.W. 1) who was examined by the company admitted this endorsement but stated that he wrote it as was not possible for him to attend the meeting on that day. This endorsement clearly shows that Sukumar Ghosh was entrusted to attend the meeting which should have been attended by an officer of Messrs. Martin Burn Ltd., and he was considered suitable and responsible for the job. O.P.W. 1 Prasun Mukherjee under whom Sukumar Ghosh works is a Sales Executive of the Metals Department of Messrs. Martin Burn Ltd., for about 20 years. According to this witness Sukumar Ghosh woks directly under him and was employed as Booking Sarkar for about 2 years. He was stationed at Shalimar Goods Shed from where consignments meant for Southern and South Eastern Railways are booked. He has to look after the booking on behalf of company and his duties include receipt of forwarding note from the stock yard, entering the same in a sort of a register, to take the forwarding note to the goods shed, have them accepted by the Railways and to advice the stock yard to send the goods on due dates. After the goods are received at Shalimar he has to arrange for booking, obtain the railway receipt and to bring it to the head office, make it over to the bill clerk after entering it in R.R. Book maintained in the office. On an average Shri Ghosh is required to enter 5/6 forwarding note in the forwarding note register and also 5/6 R.R. in the R.R. Book and it normally takes him an hour and a half to complete the work. This part of the work is done by him in his desk and the remaining work is outdoor. The witness further stated that Sukumar Ghosh is required to pay crane charges to the railways on behalf of the company and very rarely he is required to pay railway freight. On an average the crane charges do not exceed Rs. 100 per day and the outdoor sarkar is required to draw the money in advance to pay for the charges. The witness further admitted that Sukumar Ghosh is now working at Shalimar in place of Nagen Chakraborty, who was a booking clerk. The two other outdoor clerks of Messrs. Martin Burn Ltd., Abani Roy and Anil Sinha who are working at Howrah and Shalimar respectively are known to the witness. They are occasionally required to write letters on the spot but the witness does not think that Sukumar Ghosh could write such letters. Nagen Chakraborty similarly was required to write such letters on the spot. The outdoor sarkar's job, according to this witness requires responsibility and it is also necessary for him to speak and write English but not necessarily Bengali and Hindi. The work according to this witness do not require any presence of mind. From the account given by the witness it is more or less clear that there is very little distinction between the work performed by an outdoor clerk and an outdoor sarkar and it is difficult to accept the witness's contention that an outdoor sarkar who can be entrusted to represent the company in a conference before the Assistant Traffic Superintendent, Shalimar, could not be entrusted to write even such letters as Anil Sinha or Abani Roy is authorised or entrusted to write on the spot. Incidentally, it may be mentioned here that both Anil Sinha (P.W. 6) and Abani Roy (P.W. 7) in their evidence before the Tribunal stated that the nature of their work and that of P.W. 2 Sukumar Ghosh are identical and they are not required to write letters or prepare drafts either to the Railways or to the Land Custom. The qualifications of the outdoor clerks and that of the outdoor sarkars are more or less similar and the nature of work performed by them are identical and if one set of employees can be given the pay scale and dearness allowance of a clerk, I do not see how on or that principle the other set of employees can be denied these benefits.

Let me now take up the case of Atindra Nath Sarkar. According to Atindra Nath Sarkar (P. W. 5), his duties include filling up of the Railway forwarding note, collection of the R. R. Posting of the same in a register, obtaining release of inward R. R. and preparing chalans thereof, preparation of transport charges and other expense bills in connexion with such release. He was also required to note in the files and to maintain liaison with the godown for reception of the goods. This according to the witness was sometimes done orally and sometimes in writing. The witness was also claimed that he was provided with a chair and a table in the office and did all these jobs with another employee named Prodyut Deb, who is a clerk and acted in his place during his absence and vise versa. In cross-examination the witness stated that he read up to class X (ten) and furnished the certificate of VIII standard at the time of his appointment. The work of this witness was mostly outdoor but he had to do two hours indoor work every day. It was suggested to the witness that he was not required to note in the file or to write in the R. R. register. He is mainly required to answer queries made by the officers in the file and he was not required to make any draft or write letters or maintain any accounts. Similarly the witness conceded that most of the work enumerated by him are done by Prodyut Babu and he had to do the same during Prodyut Babu's absence. The company examined Shri A. K. Sinha (O. P. W. 3), an assistant in the Agency Department where Shri Sarkar serve as an outdoor Sarkar. O. P. W. 3 in his evidence stated that Shri Sarkar had to arrange for the despatch of outgoing consignments by rail and steamer at different booking stations. He has to take the forwarding note from the godown and tender the same to the railway or steamer people for getting the railway receipt which is then made over to a clerk in the office. He is also entrusted with the jobs of clearing the incoming consignment in the railway booking offices for which he has to take the R. R. with him, trace out the consignment and make payment of railway freight, take delivery of the consignment and to see that it was properly brought to the godown. The witness denied that Shri Sarkar is required to write out any chalan or any register in connexion with his aforesaid duties or to note in any file or to maintain liaison in the godown for reception of the goods. The witness further stated that during Shri Sarkar's absence his work is usually performed by Shri Ganesh Ram, a cooly in the Agency Department and the work of Ganesh Ram was found to be satisfactory in this regard. In cross-examination he stated that he followed Shri Sarkar at about 10 occasions in connexion with the work outside and yet he does not know the details of Shri Sarkar's work in connexion with the booking or delivery of the consignment. He denied a suggestion that Shri Sarkar was required to fill up forwarding notes in connexion with the booking of consignments and stated that he possessed papers to show that forwarding notes were fiilled in by other people of his office but those papers which admittedly existed and could have clinched the issue, were not produced for some unexplained reasons. Being further pressed the witness admitted that on rare occasion when the head office or godown clerk remained absent Shri Sarkar was required to fill up the forwarding notes and such forwarding notes were inveriably checked or signed by him. Shri Sarkar was however required to carry money with him from the company's suspense account for securing release of the consignment of which freight is required to be paid at the destination but was not required to maintain any record of accounts relating to the receipts, disbursement and balance but he has to render the daily account of the money received by him in the form of a *chit*. Prodyut Deb who according to Shri Sarkar also performed similar jobs is a clerk in the Agency Department and the witness (O. P. W. 3) denied a suggestion that the nature of duties of Shri Sarkar and Shri Deb was similar or identical. He asserted that they have papers to show that the nature of duties of these persons were different but those papers unfortunately have not been produced for reasons best known to the management. Undoubtedly the company could have produced the registers which Shri Sarkar claims to have filled up in order to disprove the assertion made by him. Moreover, if the work of Shri Sarkar could have been carried on satisfactorily by Ganesh Ram, a cooly in the Agency Department, it is not understood why the company is unnecessarily incurring higher expense in maintaining an outdoor sarkar when the work can be carried on with the help of a lesser paid employee. It is too much to expect that this work can be carried on with the help of a cooly when literacy and sometimes ability to take spot decision is one of the requisits. On same analogy the company might as well have dispensed with the service of many of its officers where the clerks could have carried on the duties of the officers satisfactorily, but this is not being done and higher paid officers have been kept in their places the reason obviously is that the work cannot be carried on by a substitute suggested by the company. From what I have discussed above, there is little doubt that Shri Sarkar had to perform both indoor and outdoor duties and although the work of outdoor sarkars consumed most of his time outside, they were not in any way less responsible than those of the clerks doing or working at the desk. At any rate the work of Shri Sarkar must be regarded as partly clerical.

I now take up the case of Manick Lal Chakraborty (P. W. 4) who is an outdoor Sarkar for the last 3 or 4 years. The incumbent claimed that his duties were partly clerical and partly outdoor and his duties include preparation of R. R. Chalan and entering the same in a register and noting in the number of the R. R., its date, the name of the consignee, etc. The outdoor job of the witness includes attending, opening of tenders, taking quotation therefrom and submitting the same to his superior officer. Besides he has to attend inspections conducted by different officers, prepare of despatch memo. and inspection certificate forms and during his absence Debabrata Nandi, a clerk of the office is deputed to attend tender opening ceremony and Shri Aloke Sen, another clerk is deputed to attend to the inspection and preparation of despatch memo. Admittedly, he is not required to draft any letter or to maintain or write any accounts books but he had to do some work of filing and to put up correspondence in proper files. Since the dispute arose major portion of his duties are outdoor and R. R. Chalans are now being written by another clerk named Jaydeb Sengupta. The witness works under Dipendra Nath Sen, an officer of the company, since 1952 (O. P. W. 2). According to this officer, Manicklal Chakraborty is required to go round in order to chase certain matters in various Government Departments or private concerns such as Director of Inspection, Railway, Steel Companies, etc. He is usually asked to fix up appointments for inspection or to personally deliver certain letters or quotations and has to collect some official documents from various parties. He is also sometimes sent to deposit tender papers and to see that it is deposited within time and at proper place. Normally he is not required to attend to opening of tenders on behalf of the company. For the purpose of inspection, he is required to act as a sort of go-between but he is not required to explain any technical points to the inspecting officers, nor he is required to prepare any papers relating to inspection. He had nothing to do with the preparation of despatch memos. and inspection of certificate forms or the R. R. forms or chalans prepared therefrom. In cross-examination the witness admitted that on one occasion Shri Chakraborty attended the tender opening ceremony on his own initiative and gave out the figures in writing to the witness, an assignment which according to its importance is required to be attended by some officers of the company. The company did not maintain any paper or record which would show what are the specific duties assigned to an outdoor sarkar. The witness also denied that Shri Chakraborty had to do clerical work in his office. Inspite of these protestation it would appear from the documentary evidence on record Exts. 5(a), 6(a), 7(a), 7(i) 4(1) and Ext. 8 that Shri Chakraborty was asked by this witness either to follow up certain matters, or to arrange for inspection or to personally follow up or to make arrangement. Certainly, these are duties which cannot be entrusted to members of the subordinate staff and without doubt they are also pretty responsible job calling for tact and intelligence. The work is as responsible as that of a clerk and it would be difficult to see how these persons who were asked to represent the company in certain matters could not even be equated with the clerks who are not given the same kind of responsibility. There is therefore no reason why the work of these outdoor sarkars, mentioned above should not be equated with that of the clerks.

Shri Ginwala, appearing on behalf of the company contended that their objection was on a point of principle. The qualification and job requirement of an outdoor sarkar should not be equated with that of a clerk and it is necessary for the Tribunal to see what is the worth of the job that an outdoor sarkar was performing. It was further contended that it was not a productive job at all. I regret, I am unable to agree. Viewed from that angle the job of many of the clerks would be unproductive and as for the qualifications admittedly some of the clerks recruited in recent years were not even matriculate. Moreover there is no reason why the outdoor clerks who also perform identical jobs and possessed similar qualifications would draw the pay and allowances of a clerk. Qualification apart, most of these outdoor sarkars were entrusted with responsibility that a clerk is never required to do. Some of them even represented the company which normally is attended by officers and it is also admitted that they (outdoor sarkars) are in a position to write and read English and also some other languages fluently. The job requirement of the outdoor sarkars was essentially a clerical work, though the nature of duties they had to perform was mostly outdoor. These outdoor sarkars, it is to be pointed out, were held to be clerks and included in Grade 'D' in the award of the Mercantile Tribunal, dated 25th July 1959, presided over by Shri A. Das Gupta and published in the "Calcutta Gazette, 25th August 1949, at page 1445. This grade 'D' was however abolished by the Labour Appellate Tribunal and Grades 'B' and 'C' were amalgamated and a revised grade was introduced in its award, dated 17th April 1956, published in the "Calcutta Gazette" dated 16th August 1956. Inspite of the award of the Tribunal these four outdoor Sarkar were unfortunate enough to be treated on a separate footing and I understand that there are no employees in Martin Burn Limited who have been similarly treated.

Having regard to all the circumstances of the case I see no reason to treat them on a different footing and I hold that these four outdoor sarkars, namely, Sarbasree Sukumar Ghosh, Atindra Nath Sarkar, Nihar Ranjan Sinha Roy and Manik Lal Chakraborty are entitled to grades and scales of pay and dearness allowance admissible to the clerks with effect from their dates of their respective confirmation. The company is directed to absorb them in the clerical grade of Rs. 70—4—138—7—208 as laid down by the Labour Appellate Tribunal in its award referred to above, and they will also be entitled to the benefits of all allowances and increments with retrospective effect from the respective dates of their confirmation.

This is the award of the Tribunal.

AWARD

This is an application under section 33A of the Industrial Disputes Act made by Shri Bimal Sarkar against the opposite party The Kalyani Spinning Mills Limited. It is alleged by the workman that during the pendency of adjudication of a Reference in this Tribunal, the Management issued a charge-sheet and kept the petitioner suspended pending enquiry for 77 days and thereafter conducted a domestic enquiry in which he was not allowed to bring his witnesses and then dismissed him in violation of the principles of natural justice and he was also not paid one month's wages.

The Company appeared on receipt of notice and filed statement. On 22nd July 1967 both parties filed a joint petition stating that the present dispute has been settled amicably. A copy of the representation made by the workman has been enclosed with the petition and marked Annexure 'A' and the condition upon which the workman will be reinstated has also been enclosed and marked Annexure 'B' to the joint petition. The workman also gave evidence in this Tribunal admitting that he has agreed to the settlement and has signed the joint petition.

I have perused and considered the terms of settlement which appear to be fair, reasonable and lawful and I accept the same. Accordingly I pass this compromise award incorporating the joint petition with Annexures 'A' and 'B' as part of the award and as annexures to it.

AWARD

This is a petition under section 33A, Industrial Disputes Act, by the petitioner-workman against the O.P. Commissioner of Uttarpara Municipality.

The petitioner-workman's case is that he was serving under the Municipality at a salary of Rs. 125 per month and was suspended by an order No. 398/II.3 of 23rd July 1963 by the Vice-Chairman of the Municipality, the order of suspension being irregular, unjust and unfair and so vindictive. The Municipality has no rules or standing orders duly framed and approved as required under the Law, under which suspension can be ordered either by a way of punishment or pending enquiry. The enquiry held on 2nd August 1963 was a mock show when the established and accepted principles were not adhered to. The charges were never proved against the petitioner workmen and there was no charge-sheet describing the charges in specific form. The O.P. Commissioner of the Municipality have violated the conditions of service and also the provision of section 33, Industrial Disputes Act. The petitioner workmen seeks full wages for the period of the illegal, unjustified and vindictive suspension order since 23rd July 1963 to 30th August 1963.

The petition was originally filed before the Seventh Industrial Tribunal, which was already in session of an industrial dispute between the Municipalities in West Bengal, represented by West Bengal Municipal Association, C-55 College Street Market, Calcutta-12 and their workmen represented by West Bengal Municipal Employees Federation, Dr. Meghnad Saha Road, Asansol and others relating to the matters specified in Second and Third Schedules of the Industrial Disputes Act, 1947, referred to the Seventh Industrial Tribunal, by the Labour Department, Government of West Bengal, by its order No. 3623-IR/IR/14L-14/60, dated 19th July 1960, read with its corrigendum No. 509-I.R./IR/14L-14/60, dated 6th February 1962.

Usual notices were served and the O.P.Municipality filed a written statement on 15th April 1964.

The case had a chequered career before the Seventh Industrial Tribunal and was so ultimately transferred to this Court by the Labour Department, Government of West Bengal, by its order No. 1649-I.R./IR/14L-2(A)/64, dated 24th April 1967, as the complaint was pending before the Presiding Officer of the abovesaid Seventh Industrial Tribunal, at the time of his retirement as such.

The case was fixed for hearing on 1st July 1967 and as the parties were absent it was adjourned to 19th July 1967 for hearing. On 19th July 1967 parties filed a joint petition stating that the Industrial dispute has been compromised between them, the memorandum of settlement being made an annexure to the petition of compromise, both being under the signatures of petitioner-workman and Shri J.R. Sengupta, Administrator, Uttarpara Kotrung Municipality. On a perusal of the terms of settlement as contained in the memorandum of settlement, I find the terms of compromise to be reasonable, lawful and fair and also that the parties have compromised the entire dispute pending between them, and so I pass a 'no-dispute' award as there is no existence of the industrial dispute between the parties, the memorandum of compromise being made a part of this award.

This is my award.

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL, CALCUTTA.

Present :

Shri R. BHATTACHARYYA, M.A., LL. B., Judge, Fourth Industrial Tribunal.

In this reference the parties are Messrs. Anglo-India Jute Mills Co. Ltd. (Middle Mills), P.O. Jagatdal, district 24-Parganas (hereinafter described as the Company), and their workmen represented by Bengal Chatkal Mazdoor Union, Kankinara Branch, B. L. No. 10, P. O. Kankinara, 24-Parganas (hereinafter described as the Union). The issue for adjudication is as follows :

Issue

Whether the dismissal of Sarbasri Amar Ahir and Enerdeo is justified ? What relief, if any, are they entitled to ?

Today was fixed for hearing. The parties, however, have filed a joint petition of compromise signed by K. D. Mukherjee, Labour Advisor on behalf of the Company and the Secretary of the Union and also the aggrieved workmen mentioned in the order of reference. It is submitted by the learned lawyer of the Company and also the Secretary of the Union that the matter has been amicably settled according to the terms mentioned in the petition. I have gone through the terms and I am satisfied that the compromise is voluntary, reasonable and legal. The parties before me submit that in view of the amicable settlement a no dispute award may be passed.

Hence I pass a no dispute award as I find that there is no industrial dispute at present between the parties.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present

Shri L. C. BANERJEE, Judge,
Fifth Industrial Tribunal.

The Government of West Bengal, Labour Department, by order No. 2272-I.R./IR/11L-383/66, dated 30th May 1967, referred the present industrial dispute between Messrs. Annapurna Glass Works Private Ltd. and their workmen represented by Annapurna Glass Works Employees' Union to this Tribunal, under section 10 of the Industrial Disputes Act, for adjudication of the issue mentioned below.

Issue

Whether the lockout declared by the management with effect from 22nd May 1967 is justified. To what relief, if any, are the workmen affected thereby entitled?

Usual notices were sent to both parties by the Tribunal on getting the reference. The notice issued to the Union came back with the postal remark "refused". The Company appeared on 28th June 1967 and prayed for time to file written statement. Accordingly, the case was adjourned to 18th July 1967 for filing statements by the parties. On that day both parties were absent and no steps were taken by them.

Under the circumstances, it seems that there is no longer any dispute existing between the parties, and that is why they are not keen to proceed with the case.

Hence this Tribunal passes this 'no dispute' award.

ANNEXURE

In the matter of an industrial dispute between Messrs. Mokbul Ahmed and Sons Contractor of Messrs. Caltex (India) Ltd.], 12 Ebrahim Road, Kidderpore, Calcutta-23 and their workmen represented by the Bengal Oil and Petrol Workers' Union, 177-B Acharya Jagadish Bose Road, Calcutta-14. (G. O. No. 838-IR, dated 26th February 1966.) (VIII—57/66.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL, CALCUTTA.

Present:

Shri R. BHATTACHARYA, M.A., LL.B., Judge,
Fourth Industrial Tribunal.

This reference has been sent to this Tribunal over a dispute between Messrs. Mokbul Ahmed and Sons [Contractor of Messrs. Caltex (India) Ltd.], 12 Ebrahim Road, Kidderpore, Calcutta-23 (hereinafter described as the Firm), and their workmen represented by the Bengal Oil and Petrol Workers' Union, 177-B Acharya Jagadish Bose Road, Calcutta-14. The issue for adjudication was originally as follows:

Issue

Whether the refusal to pay bonus to the 32 workmen named in the annexure is justified? To what relief, if any, are they entitled?

Subsequently, by a corrigendum the State Government described the bonus as one for the year 1964.

The parties appeared and submitted their written statements. In short, the union wanted to say that the 32 workmen mentioned in the annexure to the order of reference which has been made a part of this award, worked for more than 240 days in the relevant year and that they were unreasonably not allowed bonus. It is alleged that the company gave one month's bonus to other workmen for the year in question. The prayer of the union was that one month's wages should be paid to each of the said 32 workmen as bonus.

In reply the firm has stated in its written statement that these 32 workmen mentioned by the union were not its employees and therefore they were not entitled to any bonus.

After several dates today was fixed for hearing. The learned lawyer for the firm is present with his witness whereas nobody appears to contest on behalf of the union or the workmen. Shri Shyam Sundar Chowdhury, learned Advocate for the union, submits that the lawyers engaged in this case have no instruction from the union and he retires. The case is, therefore, taken up for ex-parte hearing. The company has examined one of the partners as O.P.W.1. His sworn testimony is that none of the 32 persons mentioned in the order of reference were in the employ of the firm and that they were not entitled to any bonus. The witness has stated that these 32 persons have no connection with the firm. I find no reason to disbelieve Jalal Ahmed, one of the partners of the firm. In this case it is to be noted that none of the workmen of the firm have come to support the case of the union and to say that the persons named in the order of reference are really employees of the firm or that they are entitled to bonus. The absence of the union to contest in this case is significant. I reject the story and claim of the workmen mentioned in the written statement of the union. I hereby accept the case of the firm that the 32 persons mentioned in the order of reference were not employees of the firm and that they are not entitled to any relief in this case. The reference is thus disposed of in favour of the firm.

ANNEXURE

In the matter of an industrial dispute between Messrs. Baxsara, district Howrah, and (ii) Raymon Engineering Workers' Association, village Uttar Baxsara, P.O. Baxsara, district Howrah, referred under G. O. No. 246 I. BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, WEST BENGAL

For Raymon Engg. Workers' Association : Shri Sudarson Mali, General Secretary.

AWARD

Government of West Bengal, in its Labour Department, by order No. 246-I. R./IR/10L-31(A)/66, dated 21st January 1967, referred the industrial dispute between Messrs. Raymon Engineering Works Ltd., Santragachi, Howrah and their workmen represented by (i) Rayman Engineering Workmen's Union, Baxsara Fidder Road, P. O. Baxsara, district Howrah, and (ii) Raymon Engineering Workers' Association, village Uttar Baxsara, P. O. Baxsara, district Howrah, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue :

Issue

Whether retrenchment of the workmen mentioned in the list annexed hereto is justified? To what relief, if any, are they entitled ?

After the service of usual notices, both the parties appeared on 20th March 1967. Written statement was filed by the Company on 2nd May 1967. The two Unions filed their written statements on 24th May 1967. The case was adjourned to 21st July 1967 for filing documents by the parties. On 21st July 1967 both parties filed a joint petition alleging that the dispute had been amicably settled out of Court by an agreement and that there was no subsisting dispute between the parties to be adjudicated upon.

I have perused the joint petition which has been duly signed by the General Secretaries of the two Unions and also by Shri P. S. Jadav on behalf of the employers. I am convinced none of the parties is keen on adjudication of the dispute and that their dispute had been amicably settled out of Court by an agreement. Accordingly the case is to be disposed of by a "No-dispute" award.

In the result, I make a "No-dispute" award in this case on the basis that the parties have given up their dispute which has thereby ceased to exist for the purpose of adjudication.

After the service of usual notices, the Union—Optical Workers' Association appeared and filed written statement on 28th February 1967. None on behalf of the Company filed any written statement, though several adjournments were given to the company for that purpose, and though on 10th April 1967, the company had appeared and prayed for adjournment for the first time. On the prayer of the company, the case was adjourned to 26th April 1967, for filing the written statement. The company again took adjournment and the case was adjourned to 8th May 1967. On this date too, no written statement was filed. On the prayer of the company the case was again adjourned to 26th May 1967, for filing written statement, but no written statement was filed. The workers represented by the Association felt that they were being harassed and they objected to the granting of further adjournment to the company on 22nd May 1967. On 29th May 1967, the company again prayed for time to file written statement and it was rejected. The case was fixed on 22nd June 1967, for hearing. On 22nd June 1967, the employer again filed a petition praying for adjournment. The company was given the last opportunity to file written statement and the case was adjourned to 12th July 1967, for hearing. On 12th July 1967, the company again filed a petition on frivolous grounds praying for delaying the hearing of the case and that prayer was refused on 12th July 1967. The case was taken up for hearing on that date.

At the time of hearing, none appeared for the company. The Association examined its witnesses and the learned lawyer for the Association advanced his arguments.

The case as stated in the written statement filed by the workmen represented by the Association is as follows :—

Shri B. K. Mehra and Shri A. K. Mehra, the sons of Shri K. P. Mehra, jointly managed the affairs of the factory, e.g. National Optical Co. Shri D. R. Mehra was described as the Manager of the factory, though he had no managerial function. His principal job was to write and maintain the wage register, attendance register, State Insurance register, stock register and to collect the finished products of the factory, send them to the head office and also to prepare the statistics of the factory. Shri D. R. Mehra thus worked in the company as a workman for a continuous period of 12 years since 1955, and was drawing Rs. 480 on 2nd April 1966, when his services were terminated illegally and unjustifiably, by a letter, dated 20th July 1966. The company issued a charge-sheet on 2nd April 1966, against him containing false and malicious allegations. Shri D. R. Mehra replied to the allegations denying all of them. Shri D. R. Mehra did not attend the enquiry because the whole dispute was taken up by the conciliation officer of the Government of West Bengal on 27th April 1966. Shri A. K. Mehra and Shri B. K. Mehra who are the cousins of Shri D. R. Mehra assumed all powers of the management of the factory and office taking advantage of their father's illness and they dismissed Shri D. R. Mehra on false charges. Samsuddin was a worker of the factory for about 2½ years and his services were also terminated with effect from 10th February 1966, without any letter and without assigning any reason. No charge-sheet was given to him and there was no finding of the charge. The company by a notice, dated 24th December 1965, declared lay-off of several workmen mentioned in the list attached to the petition on false and malicious grounds. The company paid only fifty per cent. of the wages for the period from 27th December 1965 to 8th January 1965, but as the lay-off was untenable and unjustified, the workers were entitled to the full wages. There was no justification also for the lock-out in the subsequent period from 1st April 1966 to 31st May 1966. On 26th May 1966, there was an agreement before the conciliation officer between the Association and the employer that the lock-out would be lifted with effect from 1st June 1966. The lock-out from 1st April 1966 to 31st May 1966, was wholly unwarranted and unjustified and the workmen are entitled to the full wages for this period. The company, instead of opening the factory from 1st June 1966, adopted a new device and declared the factory to be closed by a notice, dated 1st June 1966. The notice does not disclose the correct state of affairs. The story of theft of the machines is false. Furthermore, no Watch & Ward staff was maintained by the company to guard their properties and hence the workers cannot be denied the retrenchment compensation under section 25F of the Industrial Disputes Act. In the written statement, it is also prayed that Shri D. R. Mehra and Shri Samsuddin should be reinstated with full back wages and bonus.

Decision

Issue No. 1: Shri D. R. Mehra, was charge-sheeted by the company on 2nd April 1966. Ext. 1 is the letter of charge; it shows that D. R.

Mehra was charged for several acts of indiscipline, negligence and misconduct. Ext. 2 is the reply to the charges. D. R. Mehra denied all the allegations made in Ext. 1. A question may arise as to whether D. R. Mehra would be deemed to be a 'workman' within the meaning of section 2(s) of the Industrial Disputes Act, 1947. It is admitted by D. R. Mehra, P. W. 1, that his designation was that of Manager, but he has stated on oath that he was to do the work of a clerk and that he had to look after the work of stores also. He has further stated that B. K. Mehra was in charge of the management of the factory. This fact has not been rebutted by any evidence whatsoever by the company. I therefore hold that Shri D. R. Mehra was a workman, and as such, he comes within the purview of the Industrial Disputes Act, 1947.

It will appear from Ext. 2 the reply to the charge-sheet that D. R. Mehra denied all the allegations. At the time of hearing D. R. Mehra, P. W. 1, has stated on oath that the allegations in the charge-sheet were all false, and that he sent a reply to the charge-sheet. He has further stated that no report of enquiry was given to him and that he was not informed as to who would depose against him. He has stated on oath that the company went on with the enquiry ex-parte. As his matter was pending before the conciliation officer, he was not present in the enquiry. Ext. 4 is the letter of dismissal served by the company on D. R. Mehra; it shows that he was dismissed with effect from 2nd April 1966. No reasons have been given by the company as to why he was dismissed and what were the findings against him. I accordingly hold that the dismissal of D. R. Mehra was arbitrary and unjustified. There is no evidence adduced by the company to show that there was proper enquiry, and that the dismissal of D. R. Mehra took place on good grounds. The evidence of D. R. Mehra is ex-parte, and I find no reason to disbelieve him. I therefore hold that the termination of service of Shri D. R. Mehra is not justified. He shall be reinstated with all back wages within thirty days from the date of publication of the award in the "Calcutta Gazette". This issue is disposed of accordingly.

Issue No. 2: This issue is whether the termination of service of Shri Somsuddin is justified. Samsuddin has not appeared and deposed before me. He has not stated before me the reasons why his dismissal should be deemed to be unjustified and why he should be reinstated. P. W. 1 Shri D. R. Mehra has, of course, stated that no letter was given to Samsuddin by the company, and that Samsuddin was not at all guilty. But this must be hearsay evidence. Samsuddin himself does not appear and say that he was not guilty. Of course from the side of the company, no evidence has been adduced in this case, but the fact that Samsuddin's dismissal was unjustified has not been proved. I accordingly hold that the termination of service of Shri Samsuddin cannot be held to be unjustified. Shri Samsuddin is therefore not entitled to any relief. This issue is thus disposed of.

Issue No. 3: It is admitted by D. R. Mehra, P. W. 1 that the lay-off period was from 27th December 1965 to 8th January 1966, and that the company paid 50 per cent. of wages to them. Twelve workers as mentioned in the list given in the petition of the workmen, were affected by this lay-off. The lay-off notice is dated 24th December 1965, and is Ext. 5. Ext. 5 will show that the management of National Optical Co., felt that some re-organisation was essential in the present set up of the factory for maximum utilisation of the meagre stock of raw materials, and that for that reason the management for the sake of survival of the industry, put 12 workers mentioned in Ext. 5 on lay-off with effect from 27th December 1965 to 8th January 1966. Ext. 7 will show that this notice was hung up on the notice board on 27th December 1965. None deposed for the company to speak about the necessity of this lay-off. On the other hand, P.W. 1 D. R. Mehra has stated on oath that no re-organisation took place during this period, and that there was no shortage of any raw materials. P.W. 1 has stated that there was no necessity for the lay-off. This statement of P.W. 1 has not been challenged by the company. I accordingly hold that the lay-off of the workmen concerned from 27th December 1965 to 8th January 1966, is not justified. The workmen concerned will therefore get the remaining fifty per cent. of their wages. The company is directed to pay the same within thirty days of the date of publication of the award in the "Calcutta Gazette". This issue is decided accordingly.

Issue No. 4: The Company declared lock-out during the period from 1st April 1966 to 31st May 1966. No notice was given for this lock-out. Nobody appeared on behalf of the company to say that this lock-out was bona fide. On the other hand, D. R. Mehra, P.W. 1, has stated that there was no justification for this lock-out and that the purpose was only to harass the workers. He has also stated that no money was paid to the workers for the lock-out period. It is in evidence that there was an agreement after this lock-out and this agreement is Ext. 6. Ext. 6 is dated 26th May 1966 i.e. during the lock-out period. It was a tripartite agreement as the matter was referred to the Labour Commissioner after the alleged lock-out. In my opinion, the lock-out in the present case was hasty and unjustified. The concerned workmen must be held to be entitled to compensation in the shape of full wages for the period of lock-out i.e. from 1st April 1966 to 31st May 1966. The company shall pay the same to the workmen within 30 days from the date of publication of this award in the "Calcutta Gazette". This issue is thus disposed of.

Issue No. 5: The first question to be decided is whether the closure of the factory from 1st June 1966 was real and bona fide. That the closure was not bona fide will appear from the agreement, Ext. 6. It was a tripartite agreement, dated 26th May 1966. It was agreed that the workmen will resume duties with effect from 1st June 1966 and the management agreed to pay the earned wages to the workmen on 1st June 1966. P.W. 1, D.R. Mehra, has stated that on 1st June 1966, the factory did not open and in the notice board, it was written that there was theft of a few electric motors and nitrate sheets. Ext. 8 is the notice; it shows that the management announced that it had decided to close the manufacturing at 1 Gariahat Road, Calcutta-19, in view of the circumstances which were beyond the control of the management. The circumstances stated in Ext. 8 are chronic indiscipline and occasion of violence of workers, theft of raw materials and electric motors from the factory premises on 28th May 1966, financial difficulties due to loss of electric motors and raw materials, and absence of any immediate possibility of getting the imported raw materials and the motors. P.W. 1, D. R. Mehra, has stated that the story of theft was absolutely false as the Inspector of Industries checked the machines in his presence and found that there was no theft. He has stated that the machine was in the factory. He has stated that it is false to say that the company had to close the factory due to bad financial condition or due to loss on account of theft as alleged. He says that this story of theft was pre-planned. None appears on behalf of the company to prove the alleged theft of electric motors and raw materials. I am unable to hold that the closure was bona fide. But it is a fundamental right of the employer to close down his business. A citizen could not be compelled to dispose of his property in a particular manner or to practice in a particular profession or to carry on a particular trade or business. The Tribunal has no jurisdiction to force the employer to lift the closure. In this case there is no doubt about the fact that though the closure was not bona fide, it was a real closure. But the company has failed to prove that the undertaking was closed down on account of unavoidable circumstances beyond the control of the employer within the meaning of section 25FFF of the Industrial Disputes Act. As the closure resulted in the termination of services of the workmen then employed, they are entitled to get compensation in accordance with section 25F of the Industrial Disputes Act. The company shall pay this compensation within 30 days from the date of publication of this award in the "Calcutta Gazette". This issue is decided accordingly. This is my award.
